### ALLOW US TO CONVINCE YOU BY OUR PERFECT TRAVEL SERVICE 24 HOURS A DAY 7 DAYS A WEEK!

#### Let us arrange your short term flexible charter flights

Our employees know from personal experience about the cares and concerns of business travel. This expertise enables us to respond at short notice and flexible to your request. We arrange every detail of your business trip and adjust your personal travel schedule to it.

#### Relax while you work – even while traveling

In business, things often get pretty hectic. Nevertheless, you still need to be productive and ready to roll at all times. That's why you should use our private jets as your mobile office. Relax while you work – even when you're traveling – and concentrate on your important projects. You can even hold discreet, undisturbed meetings with managers or business partners in our business jets. Give your business customers the opportunity to travel with you, and hold your important meetings in this exclusive space. Of

course, there are no obstacles when it comes to our providing you with a tasty, stylish business lunch above the clouds either. Our airline team will arrange everything to ensure that you, your employees and business partners have a most pleasant trip.

#### Our definition of 24/7 service

The FlightTime travel specialists are available for you 365 day a year, 7 days a week 24 hours a day. Based on our technical equipment we are at any time able to provide our passengers with current weather conditions, up to date flight schedule and present slot management. This existing technology enables us to react appropriately and flexibly to flight schedule changes or clients change of itinerary. The benefit of this for our passengers is to be able to focus on the business project while FlightTime is focused on details of your flight operation.

## FLIGHTTIME COMPANY SHUTTLE

## TOUROPERATOR | EXCHANGE OF CRUISE PASSENGERS

Cruises are exclusive trips on which passengers expect reliable service in a particular degree. This challenge you face every day as a tour operator. With us as your partner, you have an experienced charter company on your side, even to master the most demanding requirements in the best sense of your cruise ship passengers.

### **Individually tailored schedules and excellent care**

The airliner team of FlightTime supports your trip events with tailored schedules, excellent care of your guests as well as competitive prices. Often the costs of charter flights on the number of passengers are converted significantly lower than the prices for comparable scheduled flights. With us you can offer your guests a trip attractive added value and keep challenging budget projects. We offer flight times that are optimally matched to the idle times of the respective vessel.

# ORCHESTRA TOURS

## CHARTER FLIGHTS FOR MUSICAL TOURS OF ANY SIZE ORGANIZED WITH LOGISTICAL PRECISION

Orchestral tours need proper logistical planning and organization. The challenge is to get many musicians, musical instruments and other equipment safely and efficiently from an event in one place to another. With FlightTime, not only do you have our strong charter flight profile on your side, but you also have in us a reliable partner.

### **Proper transport of instruments and equipment**

While musicians, technicians and other staff enjoy the necessary rest and relaxation in our comfortable first-class seating between one event and another, their musical instruments and equipment are safely and properly transported. Let us deal with all

your logistical requirements. That leaves you free to get on with the really important things, while we do our part by reliably making a behind-the-scenes contribution to the success of your orchestra tour.

# TV AND FILM TEAMS

## ON-TIME, AFFORDABLE, AND STRESS-FREE CHARTER FLIGHTS FOR THE WHOLE CREW AND ITS EQUIPMENT

There are so many aspects of any production to get right. There are production schedules to stick to, supplies and equipment to transport properly, and crew to bring as comfortably and economically as possible from one location to another. FlightTime can handle a good part of this organization for you. We offer you charter flights which are perfectly adapted to your schedules down to the last detail.

### **We fly your crew and your equipment**

With us as a partner on your side, you can fly your whole TV or film crew as well as all your equipment from one film location to the next. Our airline team is highly competent and extremely reliable.

### **First-class travel and secure transport**

With our first-class flights, film and TV crews travel comfortably and arrive at the next film location relaxed. Your filming equipment is also transported properly and securely, and we are happy to take care of any other logistic requirements you may have. It does not matter whether your film location is at home or abroad, because our airline team will tailor the itinerary so that it fits in perfectly with your schedule, and therefore keeps within your budget.

# RELAXED CHARTER FLIGHTS FOR SPORTS TEAMS AND LARGE GROUPS OF FANS

Team spirit, fitness and fair play these are basic points of any sports club written to their flag, but also the economy must be kept in mind.

For international sport events or annual general meeting it can be quit useful to compare the price of public transport with charter airline travel.

# SCHEDULED FLIGHTS

## ALLOTMENTS ON SCHEDULED FLIGHTS AND CHARTERFLIGHTS

We as a partner for charter flights are always keen to offer our customers the best and cheapest way to travel. So it is possible that for the use of scheduled flights is sometimes used as an alternative to full charter in question. Again, we are pleased to offer our expertise to the side.

When transporting large groups often offers, for example, a combination of scheduled flights and full charter to. Also scheduled flights can be used as a feeder for full charter with subsequent joint onward journey to the final destination. We check to see if a full charter for your needs worth and find the right solution for you – from the comfort of a hand.

The image shows four digital flight information display boards in an airport terminal. Each board displays flight schedules for various airlines and destinations. The boards are labeled with 'ABC' and 'DE' at the top. The data is organized into columns, including flight number, origin, destination, departure time, and status. The boards are mounted on a wall, and a clock is visible in the background.

## EXTENSIVE RANGE OF SERVICE – WE MAKE IT POSSIBLE

### EXCLUSIVE IN-FLIGHT SERVICE

We want you to be able to relax and lean back. We coordinate your individual menu wishes with our catering partners – regardless of whether you want Standard, Business Class or First Class catering.

We are also happy to greet your guests with an aperitif. And you decide whether only soft drinks or an “Open Bar” should be served.

### CHECK-IN COORDINATION

A trained FlightTime employee is already on hand at check-in to look after you and your guests. Upon request, we can already conduct a separate clearance procedure in your office building, at your hotel or on board your ship. Whether you want a red carpet at check-in, floral arrangements in your company colors or an exclusive limousine service -at FlightTime, next to nothing is impossible!

### ON-SITE ASSISTANCE

In order to guarantee that everything runs smoothly, each flight could be, on request, accompanied by at least one FlightTime employee who is available for you as a competent contact person for any questions and last-minute changes throughout your stay.
