WE MAKE YOUR EVENT SHINE

Wellbeing for your clients

Invite your clients to have a seat for a few minutes. During a first class shoe shine they will learn more about your company. They will appreciate your „message“. Or simply say „thank you“ with this unique shoe shine experience. There are many occasions for offering a wellbeing shoe shine. Exposition, fair, anniversary, mothers day, fathers day, wedding, introducing a new brand, a new company... By the way: we speak 5 languages (English, French, German, Italian and Dutch).
